EDUCATION

MAHUSHE AGRICULTURAL HIGH SCHOOL
2016

Matriculated and obtained a National Senior Certificate with admission to a Bachelor's degree.

TSHWANE UNIVERSITY OF TECHNOLOGY
2019 - 2022

I completed my theory modules in NDIP:IT(Software Development) from Tshwane University of Technology. I need an entry level or an internship of at least 6 months to obtain my qualification.

WORK EXPERIENCE

ADOM TECHNOLOGIES: Software Engineer Intern

Nov 2022 - PRESENT

During my time in the organization, we were taught how to build a website and a 3 tier online system by our mentor and project manager Chris Sifundza. I worked on a project where we created a website for the company which allowed users to register, online application and other more features. I was responsible for designing the website visuals, I was on the front-end team.

TSHWANE UNIVERSITY OF TECHNOLOGY: Residence
Subcommittee treasurer
2020-2021

My duties were to handle fundraising, manage available funds and advise on the appropriate use of those funds for the residence block I was responsible for.
